

# Discuss Like a Scholar...

Let's have a focused collaborative talk, meant to DEEPEN and EXTEND our thinking about the topic.

- I would like to add...
- I know this because...
- I noticed that...
- That reminds me of...

I agree with \_\_\_\_\_ because...

I disagree with \_\_\_\_\_  
because...

I'm wondering...

Couldn't it also be that...?

So what you're saying is...

• My strategy is similar because...

• My strategy is different because...

What to use when you're confused...

I'm having some trouble explaining my ideas. Can someone help me clarify my thoughts?

What do you guys think?

Can you explain what you mean?

Tell me more about...

Can you give us an example of that?

Where did you find that in the book?

Would you please repeat...?
